

Kiri

Construction

Base & Arms

Aluminium

Seat & Back

Cold Foam

Origin

Made in New Zealand

Key Features

There's nothing ostentatious about the Kiri. This chair has been designed and built according to an exacting minimalist belief. Moving from upright into a near horizontal position is a simple, precise movement that will bring pleasure for years to come. Likewise the luxurious upholstery delivers full ergonomic support without over-stylised lines. So there's nothing between you and pure relaxation. The backrest reclines from 90° (seated) to 170° (sleeping position).
