

Bordeaux

Bring the soft look of natural timber into your home

Key Features

Created using timber from sustainable forests (including Oak, Rimu or Walnut), the Bordeaux is a lovingly created dining table to fit into many styles of home.

Frame

Solid Oak with special soft-touch finish – a water based protective layer which replaces traditional lacquer finishes. This results in a softer feel with a more natural look but does not discolour or yellow as quickly.

Origin

Made in New Zealand

Available in

American
White Oak

Walnut

Heart
Rimu

Swamp
Kauri

Options
