Key Features

Appearance-wise, Stressless Mayfair has that classic Stressless look you've come to recognize – elegant and laidback.

Its cushioning is extra supple and comfortable, and contributes to making this one of our top sellers. The steel frame is set with Flexo-springs, which gives it a durable build and extra sitting comfort. Molded polyurethane cold foam with Comfort Zones gives your body exactly the right amount of support, and our plush polyester fibers provide that gentle touch of luxury.
