# King Koil Royal Luxury Buckingham Plush

## Description

Designed and endorsed by chiropractors and made by New Zealanders for your comfort, King Koil beds feature technologically advanced support systems that respond directly to your weight and shape.

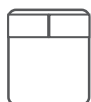

The hand tufted Royal Luxury collection is King Koil's most luxurious bed range, featuring cashmere and wool fibre to create a breathable cushioning layer that naturally regulates body temperature for a more comfortable sleep. The Royal Luxury Buckingham Plush has the most luxurious feel in this bed range.

## Specifications

### Key Features:

- A blend of cashmere and wool fibres to help keep you cooler in the summer and warmer in the winter.
- A blend of cashmere and wool fibres to help keep you cooler in the summer and warmer in the winter.
- Three Layers of micro coils in the top comfort layers provides additional pressure relief and minimises partner disturbance.
- Natural Talalay latex provides pressure-relieving comfort. Derived from the rubber tree, it is naturally hypoallergenic, dust mite resistant and antimicrobial.
- Anti-allergen design approved by the National Asthma Council Sensitive Choice® program. AH Beard mattresses are designed with fabrics and foams that protect from dust mites, mildew and bacteria – meaning people with asthma and allergies can breathe a sigh of relief and get a healthier night's sleep.
- The Buckingham features the Reflex Platinum VRS support system that has been engineered to intuitively respond to your body weight and shape to provide correct postural support which has been designed and endorsed by the International Chiropractors Association. In total the Buckingham Plush has 8487 coils in a Queen Size bed.
- The Royal Luxury collection comes with a 15 Year Warranty.
