	Armchair	850	870	750	450

Key Features

Williams is a compact, modern classic design with fixed height arms and back, and a light tufting detail on the seat, back and inside arms. Its sturdy frame is constructed in hardwood, legs in metal and the seat from S spring and elastic webbing. The back provides an additional level of comfort with tension adjustable springs. To finish, it is covered in natural leather of the highest quality by skilled craftsmen the Halo brand is renowned for.
