

Puccini

PLUSH

Description

The Beautyrest Puccini Plush features the advanced 8" Zoned Power Coil Pocket Spring Support Unit to provide additional support and pressure relief. The mattress is encased in Beautyrest total surround foam with Quantum lock technology to ensure the bed has a firm edge and to enable full sleeping width.

The Puccini Plush uses luxurious fabrics and premium comfort layers for ultimate sleep. The Puccini Plush offers a plush feel.

Specifications

Quilt Panel

- Climatech Material (very breathable material)
- Silk/Wool – a natural mix of fibre that is breathable to control body temperature

Spring Unit

- 8" Zoned Power Coil Pocket Spring Support Unit – for non partner disturbance & excellent support

Edge Support

- Firm Foam encased pocket spring (to enable full width sleeping with superior edge support)

Top Panel

- Fusion Gel – FusionGel Combines memory foam with advanced gel particles to help dissipate heat and provide pressure point relief
- Natural Latex – provides excellent support and comfort through its natural elasticity and flexibility and is naturally antibacterial and durable
- Medium/Soft Density foam – provides excellent pressure relief
