

Replenish 1 Medium/Firm Mattress

Description

By integrating natural fibres and materials with their innovative layering technology, Design Mobel mattresses deliver both a unique comfort experience as well as a dryer, cleaner sleep environment.

The Design Mobel Replenish range has a sustainable heart at the core of its premium design and comfort. Reflecting Design Mobel's firm beliefs of the importance of a good night sleep for your mind and body, the Replenish range incorporates meaningful design, natural health and recyclable materials to deliver full body comfort through its premium layer technology.

Specifications

Key Features:

- 100% natural Medium/Firm Talalay latex core is sustainably sourced and provides excellent natural support and pressure relief for your entire body. Latex is naturally hypoallergenic and resistant to dust mites, making it ideal for people who suffer from allergies and asthma. It is also resistant towards mildew, mould and has antibacterial, antifungal qualities, perfect for a healthier sleep.
- 100% pure New Zealand wool used in the mattress border is sustainable and hypoallergenic. It is naturally resistant to bacteria, mould and mildew making it perfect for bedding. Wool fibres also help to keep you cooler in the summer and warmer in the winter.
- Organic cotton creates a delicately soft feel, produced without pesticides and chemicals making it better for you and the environment.
- Soft natural Tencel fabric is sourced from certified sustainable forests. 100% biodegradable and has excellent moisture wicking properties.
- Natural probiotic technology is woven into the mattress fabric to absorb moisture and clean up dust mite allergens.
